

BILL WADSWORTH

MARKET VAN BUREN

Bill Wadsworth is an Economic Development Manager with Consumers Energy. His primary role is to partner with local economic development organizations and assist in the retainment and attraction needs when it comes to energy. He also works on energy needs with new MEDC projects.

Bill has been an employee at Consumers Energy for 19 years. Before becoming an Economic Development Manager, Bill worked as an Energy Specialist, designing utilities for commercial and industrial customers, and also served as a Business Account Manager assisting manufacturing customers with energy efficiency, rates, and reliability.

He has also served on numerous committees, and Board Positions including Co-Chair for Traverse City Chamber of Commerce Foundation and Big Brothers Big Sisters of Northwest Michigan.

Bill resides in Byron Center, Michigan with his wife and two daughters. He enjoys traveling, golf, fly fishing, and hunting. His philanthropic work would include volunteering with Habitat for Humanity and United Way.
